SCHEDULE**

Member, United States
Olympic & Paralympic Committee

Welcome to the Arlen Specter US Squash Center and the 2025 Comcast Business U.S. Open Championships, the fourteenth hosted in partnership with our Founding Sponsor, Drexel University.

With a cherished history starting in 1954, the U.S. Open's impact on squash globally has reverberated through generations. Perhaps its most significant was becoming the first major event to offer prize money parity in 2013, serving as a springboard for the women's tour and eventually resulting in a combined tour.

This year's event offers another watershed moment as the 2025 U.S. Open will feature an unprecedented broadcast led by the Professional Squash Association and powered by Comcast Business' best-in-class technology. U.S. audiences will also be able to enjoy the semifinals and finals on NBC Universal's Peacock streaming platform—a first for the sport and a nod to the potential our Olympic journey presents.

Our continued success is possible thanks to the generous support of our sponsors, patrons, members and fans of the sport. To each of you we offer our deepest gratitude. We would especially like to thank Comcast Business, which once again returns as the Title Sponsor of this year's Championships, for powering the growth of the sport through the U.S. Open and year-round with US Squash and the Specter Center.

Most importantly, this week showcases some of the best athletes in the world. These competitors earn our respect and admiration with their inspiring performances, pure grit and consistent displays of sportsmanship.

We hope you enjoy all the U.S. Open has to offer and again wish to express our thanks to all of you.

Sincerely,

Kevin D. Klipstein
President & CEO

Andrew Fink
Chair of the Board

Squash is a great sport! Everyone playing Squash, regardless of their standard should be able to play long rallies, improve their fitness and skill and have fun on court just like advanced players. It's very important to 'Use The Right Ball' if you want to have a good game. Your level should determine which ball is the most suitable for you.

EXPERIENCE

WHAT EDUCATION
CAN BE.

*Drexel Co-op student
in Philadelphia, PA.*

Drexel's nationally acclaimed cooperative education program allows you to test-drive different careers while gaining up to 18 months of real-world, résumé-building experience working in entry-level positions with renowned companies and organizations across the globe. Most of these positions are full-time and paid.

For over 100 years, our transformative model of experiential education has allowed students to learn alongside industry experts and leaders shaping the future of their fields, presenting a practical yet extraordinary differentiator that enables you to discover a profession that you love — before graduation.

Join us. Because your experience matters.
