**U.S. OPEN
SCHEDULE**

It is our pleasure on behalf of the US Squash Board of Directors and staff to welcome you to the Arlen Specter US Squash Center for the 2024 Comcast Business U.S. Open Squash Championships.

Incredibly, this is the fourth year hosting at the Specter Center, and thirteenth with our Founding Sponsor, Drexel University. This historically important event, first hosted in 1954, was raised to renewed prominence in 2011 when we brought the U.S. Open to Philadelphia in close partnership with Drexel University. We then proudly elevated the event further, and the women's game globally, by being the first to offer full prize money parity with the rest of the tour soon following.

We were able to do this, as well as advance countless innovations over the years, due to the generous support of our sponsors and patrons. We are deeply grateful for their support and for standing with us in sharing values that so closely align with our own, including integrity, inclusion and excellence.

We would like to especially thank Comcast Business, the Title Sponsor of this year's Championships, for powering the growth of the sport through partnership with not only the U.S. Open, but year-round with US Squash and the Specter Center as well. Partnerships with the region's anchor institutions, also including Penn Medicine with their support for Team USA Squash, allow the U.S. Open to remain the country's premier professional event, and enable our athletes to increasingly be among the most competitive in the world.

Most importantly, this week showcases some of the best athletes anywhere. These competitors earn our respect and admiration with their stunning talent, pure grit and displays of true sportsmanship.

We hope you enjoy all the U.S. Open has to offer and again wish to express our deep gratitude to our sponsors, supporters, partners and members.

Sincerely,

A handwritten signature in black ink, appearing to read "K. Klipstein".

Kevin D. Klipstein
President & CEO
